

Southern Region THS Shiphay Farm, Colyton

16th June to 14th July – Site opens at Noon

The site lies on the edge of the lovely historic town of Colyton. The river Coly runs around the town and on down to Colyford. There are several shops in the town which can provide all your grocery needs, and also a post office and a bike shop. There's a tearoom just over the road from the campsite and a roadside stall selling home-grown produce. There are walking tours around the older part of the village, which tell the history of the buildings and people of Colyton.

The seaside towns of Seaton & Beer are 2.5-3 miles away. Within the area are Honiton, Axminster and Lyme Regis.

There are activities for all, from walking and cycling, or go further afield (bus stops outside the site and in Colyton) and visit / walk the Jurassic coast, visit Axe Valley wildlife park, Shute Barton medieval house, Seaton Wetlands nature reserve, or take a trip on the Seaton tramway (station is only a short distance from site).

Cost is £10.00 per unit night, extra adult £3.00 per night.
